### IEEE Instrumentation and Measurement Chapter Chair Summit 2020

A Virtual Summit by video conference was held on May 25<sup>th</sup> with 21 participants around the globe. The meeting which was previously an all-day meeting changed to a four hours summit from 2 pm to 6 pm Central European Time. Since the meeting was shorter compared to previous years sit in meeting, the main agenda was set to a short 5-minute presentation Chapter activities in 2019 from each Chapter.

The itinerary of the Summit is as follows:

- 2.00 - 2.10 pm: Opening addresses
- 2.10 - 2.20 pm: Attendees self-introduction
- 2.20 - 2.30 pm: Presentation about chapter news and membership statistics (Luca De Vito, Chapter Chair Liaison)
- 2.30 - 3.50 pm: Chapter Chairs presentations: part I
- 3.50 - 4.10 pm: Short break
- 4.10 - 5.30 pm: Chapter Chairs presentations: part II
- 5.30 - 6.00 pm: Open discussion
